Master-Hooper®

Thank you for purchasing the **Master-Hooper®** our unique design. ONE Embroidery Hooping Tool for all your hoops!

The **Master-Hooper®** will accommodate all hoops for your **specific** model Embroidery Machine. The unique design of the **Master-Hooper®** allows easier hooping of your fabric by holding the outer-hoop in place.

Attach the outer-hoop to the **Master-Hooper®** in the same manner you would attach the hoop to your embroidery unit.

Check out our unique design that allows easy access to the hoop adjusting screw. Shown with Maxi hoop

Mark and locate the center of your design (your dealer may have classes on embroidery alignment). Open the adjusting screw(s) on the outer hoop to its widest position.

Shown with Mega hoop

Place the stabilizer on your outer-hoop which is attached to the **Master-Hooper®**. Place your fabric, T-shirt, quilt, or any item you wish to embroidery.

Place the inner-hoop on top of the outer-hoop (you are Hooped !) place the template on top of your inner-hoop for accurate positioning.

Shown with Oval hoop

Align the centering marks on your fabric with your embroidery hoop template.

Tighten the outer-hoop adjusting screw(s).

Remove hooped project from your **Master-Hooper®** and place on embroidery unit.
