# Master-Hooper®

Thank you for purchasing the **Master-Hooper®** our unique design. ONE Embroidery Hooping Tool for all your hoops!

The **Master-Hooper®** will accommodate all hoops for your **specific** model Embroidery Machine. The unique design of the **Master-Hooper®** allows easier hooping of your fabric by holding the outer-hoop in place.

Check out our unique design that allows easy access to the hoop adjusting screw

Attach the outer-hoop to the **Master-Hooper®** in the same manner you would attach the hoop to your embroidery unit. Open the adjusting screw to its widest position.

Mark and locate the center of your design (your dealer may have classes on embroidery alignment).

Place the stabilizer on your outer-hoop which is attached to the **Master-Hooper®**. Place your fabric, T-shirt, quilt, or any item you wish to embroidery.

Place the inner-hoop on top of the outer-hoop (you are hooped) place the template on top of your inner-hoop for accurate positioning.

Align the centering marks on your fabric with your embroidery hoop template.

Tighten the outer-hoop adjusting screw.

Remove hooped project from your **Master-Hooper®** and place on embroidery unit.

Enjoy & "Happy Hooping"!
