

Made In USA

Master-Hooper®

Thank you for purchasing the **Master-Hooper®** our unique design, only one Embroidery Hooping Tool for all your hoops!

The **Master-Hooper®** will accommodate all hoops for your **specific** Embroidery Machine Model.

The unique design of the **Master-Hooper®** allows easier hooping of your fabric by holding the outer-hoop in place.

Hold the flipper down allowing access to the bracket opening

Push on the left side of hoop (bracket side)

Hold the flipper down allowing access to the bracket opening. Align and slide the **OUTER-HOOP** into the opening of the **Master-Hooper®**. Push on the left bracket side of the hoop in the same manner you would place the hoop in the machine embroidery unit.

Check out our unique design

Shown with 120X120 hoop

Mark and locate the center of your design (your dealer may have classes on embroidery alignment).

Place the stabilizer on your outer-hoop which is attached to the **Master-Hooper®**. Place your fabric, T-shirt, quilt, or any item you wish to embroider.

Place the inner-hoop on top of the outer-hoop (you are hooped). Place the template on top of your inner-hoop for accurate positioning.

Shown with 240x150 hoop

Align the centering marks on your fabric with your embroidery hoop template.

Tighten the outer-hoop adjusting screw.

Shown with 360x200 hoop

Remove hooped project from your **Master-Hooper®** and place on embroidery unit.

Enjoy & "Happy Hooping"!
